SALINAS VALLEY HEALTH X-RAY ROOM 1 & 2 EQUIPMENT REPLACEMENT PROJECT

Clement Miller, COO, and Bradley McCoy, Vice President of Facilities, Construction & Real Estate, reported that Salinas Valley Health is pursuing the replacement and modernization of x-ray equipment in X-Ray Room 1 and X-Ray Room 2. This project upgrades Salinas Valley Health's capabilities to the latest standards in radiology. The replacement of the Siemens x-ray equipment with Philips' advanced systems will mitigate the risk of equipment failure and enhance diagnostic capabilities, improve patient safety, and increase operational efficiency. This upgrade is essential for maintaining top-tier medical care and meeting the latest standards in medical imaging technology. In August of 2024, the Finance Committee and Board approved the project for planning, design, medical equipment, and construction.

A public request for bids was advertised on September 10, 2025, in the Californian and Central Coast Builder's Exchange, along with an outreach effort to local and regional qualified contractors. At close of bid on October 7, 2025, five (5) responsive bids were received and publicly opened (Attachment 2). A competitive bidding process was followed, utilizing our standard, legally approved bidding procedures. Following staff review of the submitted bid packages, C. Overaa & Co. was identified as the lowest responsible, responsive bidder. This contract amount is under the allocated budget approved for this project.

A full report and attachments were included in the packet.

PUBLIC COMMENT: None.

COMMITTEE MEMBER DISCUSSION:

MOTION:

Upon motion by Committee Member Dr. Radner, and second by Committee Member Dr. Regwan, the Finance Committee recommends the Board of Directors to award the construction contract to C. Overaa & Co. for the Salinas Valley Health X-Ray Room 1 & 2 Equipment Replacement project in the total amount of \$499,750.

5. CONSIDER RECOMMENDATION FOR BOARD APPROVAL OF PURCHASE OF SEVEN (7) CANON ULTRASOUND UNITS AND ASSOCIATED FORTY-EIGHT-MONTH SERVICE AGREEMENT FOR SALINAS VALLEY HEALTH CLINICS IMAGING AND SALINAS VALLEY HEALTH OBSTETRICS & GYNECOLOGY

Gary Ray, CLO, reported that Salinas Valley Health Clinics' (SVHC) Imaging and Obstetrics & Gynecology practices are requesting the replacement of the departments' ultrasound equipment. The Imaging department currently operates with five units, and Obstetrics & Gynecology with two units. All seven units have exceeded their original equipment manufacturer's recommended service life, limiting reliability, service support, and the ability to provide patients with the highest standard

Page | 2 Finance Committee (October 20, 2025)

of diagnostic imaging. To address these challenges, SVHC is seeking approval to replace the existing ultrasound fleet with a standardized, state-of-the-art platform. Canon was selected as the preferred vendor following a comprehensive evaluation of performance, image quality, and clinical functionality. These ultrasound units are consistent with the models currently in use at SVH Medical Center, with minor system configuration adjustments to accommodate the specific operational needs of our clinic sites. The proposal was obtained through our GPO, Vizient, and the ECRI Proposal Analysis specifically connected to the quote shows a discount of 64% for the capital items and is consistent with the highest discount offered on similar purchases of this equipment. GPO pricing insures FMV compliance.

A full report was included in the packet.

PUBLIC COMMENT: None.

COMMITTEE MEMBER DISCUSSION: This is the same vendor and similar unit to the ultrasound units approved for the hospital in August. Seven units are enough to meet the need and fit the space. Finding Ultrasound techs is a challenge but SVH Clinics is competitive and all rooms are fully staffed. SVH partners with ultrasound schools; there are no local schools. Ultrasounds are part of the standard of care and return on investment is realized through diagnosis and treatment. The team was thanked for obtaining the discount.

MOTION:

Upon motion by Vice Chair Hernandez Laguna, and second by Committee Member Dr. Radner, the Finance Committee recommends the Board of Directors to approve the terms presented for purchasing the ultrasound equipment for Salinas Valley Health Imaging and Obstetrics & Gynecology from Canon in the amount of \$770,904 and for a forty-eight-month service agreement in the amount of \$252,000.

ROLL CALL VOTE:

Ayes: Chair Rey, Vice Chair Hernandez Laguna, Hussain, Dr. Radner, and Dr. Regwan;

Nays: None;

Abstentions: None;

Absent: None.
