## A WORD FROM OUR BOARD

"It is easy for me to speak so highly of Salinas Valley Health because I have had such a great experience here as a patient. When I was diagnosed with stage 4 lung cancer, it was a big shock for myself and my family but I have had such great doctors and nurses, and everyone has been so wonderful at Salinas Valley Health. We are so lucky to have state-of-the-art resources here in Salinas. I have served on the Foundation board because I love what our hospital and Foundation does for our community. Our Foundation Board of Governors is enthusiastic about fundraising for our local hospital and continuing to help our community."
